LMRVT Practitioners

About LMRVT Practitioners

LMRVT Practitioners must be licensed or certified speech-language pathologists. Clinicians are carefully trained in a 2-day seminar conducted by Dr. Verdolini Abbott. The seminar provides several hours of background in the basic science of LMRVT, and additional hours in practical training. Certificates of course completion are provided.

Prior to 2010, individuals who have completed the LMRVT course are listed simply by location & name.

For 2010 & after, specific areas of expertise are noted as follows:

Denotes an individual who has completed the adult LMRVT-Basic course and passed the Clinician Knowledge Assessment

Denotes an individual who has completed both adult LMRVT-Basic & Advanced courses and passed the Clinician Knowledge Assessment

Denotes a practitioner who completed the LMRVT-Basic course prior to 2010 & completed the Advanced course separately

Denotes an individual who has completed the Adventures in Voice course and passed the Clinician Knowledge Assessment
